

FERRARI CLUB OF AMERICA

December 23, 1982

Dear Ferrari Club Members:

On December 5th at the Jantzen Beach Red Lion Inn, 36 members of the Northwest Region Ferrari Club of America met for a delightful brunch. Following the brunch, a Board and general meeting was held in the Pendleton Room, to set the dates for our 1983 events. A vote was taken to retain the present Board of Directors, and John Mack will assist Norm Winningstad with the Club's correspondence. Our representative from Alaska, Ralph Stefano, attended the meeting also.

A bulletin will be sent to all members showing all events - regional, Oregon, and Washington. Along with the bulletins will be detailed information covering events in February, March, and April. The second bulletin sent will show events in detail covering May, June, July, and August. The third bulletin will cover the events in detail for September, October, November, and December. Along with these local bulletins, all events will appear in the National Monthly Bulletin, so with all the information coming along, you will be well informed and able to select the events you wish to attend. Frank Tufino will direct the Seattle area functions, and as of this date there are many details to be worked out as to times, places, etc. This information will be confirmed as the times draw near to the events, and you will be notified in the coming bulletins. This applies to both Seattle and Portland areas, so PLEASE WATCH THE BULLETINS.

Due to the current state of the economy, our treasury has been depleted somewhat. Our largest expense throughout the year has been the cost of trophies that have been awarded at the Spring and Fall Rallies and the Concours at Cottage Grove. Also the cost of paper, postage, and photocopying has depleted our treasury. At the general meeting, it was decided to try to enrich the treasury by having two new events. We are going to try a raffle. At each event, you will be able to buy one or more tickets at \$1.00 each. After the event is over, there will be a drawing and the winner will receive half of the pot. The other half will go into our treasury. This will help to buy the trophies and keep the club operating. Along these same lines, it was decided at the general meeting to hold an auction of all the Ferrari memorabilia you have lying around. Start collecting it, and at the house party at Bruce and Mary Russell's in November we will have an old-time auction. Clean out your closets and garages (but not the barn!) and bring the Prancing Horse stuff to the auction.

We had a great year in 1982 and we hope to do even better in 1983. I want to thank all members for your participation in 1982, and I hope the club has a great new year. Let's ALL get involved in the events in 1983, and have fun driving our Ferraris. That's what they're for! For the members who never attend the events -- try it, you may like it.

Very truly yours,

Russ Graham
